

Verbal Description

Sue is making the bar graph below to show the favorite art supplies of the students in her art class.

There are 25 students in Sue's art class. All of the students chose crayons, paint, clay, or markers as their favorite art supply.

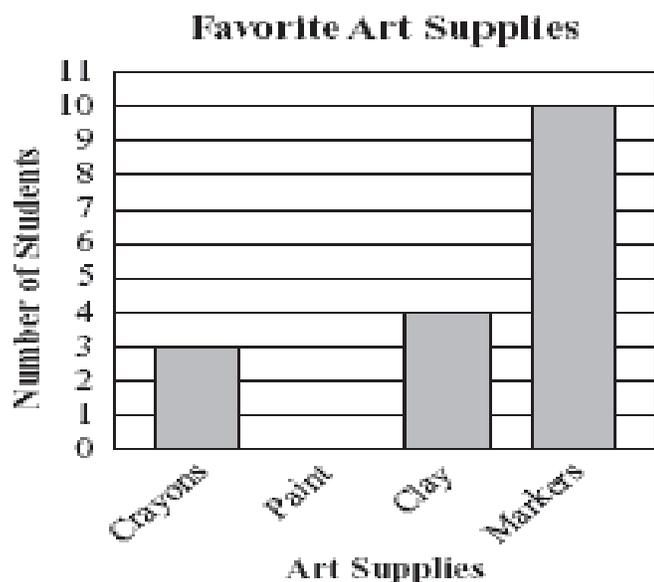

Table

FAVORITE ART SUPPLIES

Art Supplies	Number of Students
Crayons	
Paint	
Clay	
Markers	

Create a tally chart to represent the number of students who chose crayons, paint, clay, or markers as their favorite art supply.

Graph

Complete the bar graph to show the number of students who chose paint as their favorite art supply.

Communication

Show your work. Explain how you got your answer using pictures, words, or numbers.
